12. TERMINATION

12.1 Cash Manager Termination Events

- (a) If any of the following events (**Cash Manager Termination Events**) shall occur:
 - (i) default is made by the Cash Manager in the payment, on the due date, of any payment due and payable by it under this Agreement and such default continues unremedied for a period of three Business Days after the earlier of the Cash Manager becoming aware of such default and receipt by the Cash Manager of written notice from the Issuer or (following the service of an Enforcement Notice) the Security Trustee, as the case may be, requiring the same to be remedied; or
 - (ii) default is made by the Cash Manager in the performance or observance of any of its other covenants and obligations under this Agreement, which in the opinion of the Note Trustee as notified to the Security Trustee is materially prejudicial to the interests of the Noteholders and such default continues unremedied for a period of 30 Business Days after the earlier of the Cash Manager becoming aware of such default and receipt by the Cash Manager of written notice from the Issuer or (following the service of an Enforcement Notice) the Security Trustee, as the case may be, requiring the same to be remedied; or
 - (iii) an Insolvency Event occurs in respect of the Cash Manager; or

 - (ii) (if Class A Notes remain outstanding) must be a party that the Rating Agencies have previously confirmed by whatever means such Rating Agencies consider appropriate (provided that the Issuer is permitted to and does confirm in writing (including by email) to the Security Trustee that such confirmation has been obtained) the appointment of which will not cause the then current ratings of the Class A Notes to be adversely affected unless the Security Trustee or the relevant Class or Classes of Noteholders (acting by way of an Extraordinary Resolution) otherwise agree; and
 - (iii) will be subject to the prior written approval of the Security Trustee.

12.2 Resignation of the Cash Manager

The Cash Manager may resign on giving not less than 90 days' written notice (or such shorter time as may be agreed between the Cash Manager, the Issuer, the Servicer and the Security Trustee) of its resignation given by the Cash Manager to the Issuer, the Servicer, the Seller and the Security Trustee without providing any reason therefor and without being responsible for any Liability incurred by reason thereof unless such liability arises as a result of its own gross negligence, wilful default or fraud or that of its officers, directors, employees or any of its sub-contractors or delegates, provided that:

- (a) a substitute cash manager shall be appointed, such appointment to be effective not later than the date of such termination;
- (b) such substitute cash manager has the requisite cash management experience to perform the functions to be given to it under this Agreement and is approved by the Issuer and the Security Trustee;
- (c) such substitute cash manager meets the requirements set out in Clause 12.1(c) (Cash Manager Termination Events).

If by the end of the notice period, a successor Cash Manager has not been appointed, the Cash Manager may itself select a successor to be appointed in accordance with this provision.

12.3 Effect of Termination

- (a) Subject to the provisions of Clause 12.2(c) (Resignation of the Cash Manager), on and after termination of the appointment of the Cash Manager under this Agreement pursuant to this Clause 12, all authority and power of the Cash Manager under this Agreement shall be terminated and be of no further effect and the Cash Manager shall not thereafter hold itself out in any way as the agent of the Issuer or the Security Trustee pursuant to this Agreement.
- (b) Upon termination of the appointment of the Cash Manager under this Agreement pursuant to this Clause 12, the Cash Manager shall:
 - (i) forthwith deliver (and in the meantime hold on trust for, and to the order of, the Issuer and the Security Trustee or, following the delivery of an Enforcement Notice, as the Security Trustee shall otherwise direct) to the Issuer or the Security Trustee (or as the Issuer or the Security Trustee shall direct in writing and, in the event of a conflict between directions from the Issuer and directions from the Security Trustee, the directions from the Security Trustee shall prevail), all books of account, papers, records, registers, correspondence and documents in its possession or under its control relating to the affairs of or belongings of the Issuer (if practicable, on the date of receipt), any monies then held by the Cash Manager on behalf of the Issuer and/or the Security Trustee and any other assets of the Issuer and/or the Security Trustee;
 - (ii) take such further action as the Issuer or the Security Trustee, as the case may be, may reasonably direct (and in the event of a conflict between directions from the Issuer and directions from the Security Trustee, the directions of the Security Trustee shall prevail), in each case at the expense of the Issuer (including in relation to the appointment of a substitute cash manager);

12.5 General provisions relating to termination

- (a) Termination of this Agreement or the appointment of a substitute cash manager under this Agreement shall be without prejudice to the Liabilities of the Issuer to the Cash Manager or vice versa incurred before the date of such termination. - (c) On termination of the appointment of the Cash Manager under the provisions of this Clause 12, the Cash Manager shall be entitled to receive all fees and other monies accrued up to (but excluding) the date of termination but shall not be entitled to any other or further compensation. The Issuer shall pay such monies so receivable by the Cash Manager in accordance with the Pre-Enforcement Revenue Priority of Payments or, as the case may be, the Post-Enforcement Priority of Payments, on the dates on which they would otherwise have fallen due hereunder.

- (f) following payments of amounts due pursuant to item (e) above, if amounts remain standing to the credit of a Swap Collateral Account, such amounts may be applied only in accordance with the following provisions:
- (i) *first*, in or towards payment of a Replacement Swap Premium (if any) payable by the Issuer to a replacement swap provider in order to enter into a Replacement Swap Agreement with the Issuer with respect to the Swap Agreement; and
 - (ii) *second*, any surplus remaining after payment of such Replacement Swap Premium to be transferred to the Deposit Account to be applied as Available Revenue Receipts,

provided that for so long as the Issuer does not enter into a Replacement Swap Agreement with respect to the Swap Agreement, on each Swap Payment Date following the designation of an Early Termination Date, the Issuer (or the Cash Manager on its behalf) will be permitted to withdraw an amount from the Swap Collateral Account (which shall be debited to the Swap Collateral Ledger), equal to the excess of the Swap Provider Swap Amount over the Issuer Swap Amount which would have been paid by the Swap Provider to the Issuer on such Swap Payment Date but for the designation of an Early Termination Date under the Swap Agreement, such surplus to be transferred to the Deposit Account to be applied as Available Revenue Receipts; and

provided further that for so long as the Issuer does not enter into a Replacement Swap Agreement with respect to the Swap Agreement on or prior to the earlier of:

- (A) the Calculation Date immediately before the Interest Payment Date on which the Principal Amount Outstanding of all Collateralised Notes would be reduced to zero (taking into account any Swap Collateral Account Surplus to be applied as Available Revenue Receipts on such Interest Payment Date); or
- (B) the day on which an Enforcement Notice is given pursuant to Condition 11 (*Events of Default*); or
- (C) the date on which the Current Balance of the Fixed Rate Loans (excluding any Enforced Loans) is reduced to zero,

then the amount standing to the credit of such Swap Collateral Account on such day shall be transferred to the Deposit Account to be applied as Available Revenue Receipts as soon as reasonably practicable thereafter.

11. Estimation

- 11.1 If the Servicer has not provided a Servicer Report in respect of a Collection Period (each such period, a **Determination Period**), the Cash Manager shall be required to estimate the amount of Redemption Receipts and Revenue Receipts for such Determination Period based on the three most recently received Servicer Reports in respect of the preceding Collection Periods or, where there are not at least three previous Servicer Reports, any previous Servicer Reports in accordance with Schedule 5 (Determinations and Reconciliation), for the purposes of complying with its obligations hereunder. The Cash Manager shall make such estimations on the basis of information available to it at such time and shall not be liable (in the absence of gross negligence, fraud and wilful default) for the accuracy of such estimations.
- 11.2 Upon receipt by the Cash Manager of the Servicer Report in relation to the Determination Period, the Cash Manager will apply the reconciliation calculations set out in Schedule 5 (Determinations and Reconciliation).

Prepayment Rate (CPR)

Average Constant Prepayment Rate (CPR) Since Issue with Calculation

Average CPR speed is the amount expressed as an annualised percentage of principal prepaid in excess of scheduled repayments. The average CPR speed is calculated by first dividing the Current Residential Mortgage Loan Principal Balance (i.e. the actual balance) by the Scheduled Residential Mortgage Loan Principal Balance assuming no prepayments have been made (i.e. only scheduled repayments have been made). The quotient is then raised to a power whereby the exponent is the quantity twelve divided by the number of months since issue. Subtract this result from one then multiply it by one hundred (100) to determine the Average CPR speed.

This Period	Last Period
-------------	-------------

[•]

[•]

The calculation is expressed as follows:
$$CPR_{Avg} = 100 \times \left[1 - \left(\frac{\text{Current Residential Mortgage Loan Principal Balance}}{\text{Scheduled Residential Mortgage Loan Principal Balance}} \right)^{\frac{12}{\text{months since}}} \right]$$

1 Month Periodical Constant Prepayment Rate (CPR) with Calculation (Annualised)

Annualised Periodical CPR speed is the amount expressed as a periodical percentage of principal prepaid in excess of scheduled repayments. The Periodical CPR speed is calculated by first dividing the Current Residential Mortgage Loan Principal Balance (i.e. the actual balance) by the Scheduled Residential Mortgage Loan Principal Balance in the period assuming no prepayments have been made (i.e. only scheduled repayments have been made). This quotient is then raised to a power whereby the exponent is the quantity twelve divided by the number of months in the period. Subtract this result from the one then multiply it by one hundred (100) to determined the Periodical CPR speed.

[•]

[•]

The calculation is expressed as follows:
$$\text{Periodical CPR} = 100 \times \left[1 - \left(\frac{\text{Current Residential Mortgage Loan Principal Balance}}{\text{Scheduled Residential Mortgage Loan Principal Balance}} \right)^{\frac{12}{\text{months in period}}} \right]$$

12 Month Periodical Constant Prepayment Rate (CPR) with Calculation (Annualised)

Annualised Periodical CPR speed is the amount expressed as a periodical percentage of principal prepaid in excess of scheduled repayments. The Periodical CPR speed is calculated by first dividing the Current Residential Mortgage Loan Principal Balance (i.e. the actual balance) by the Scheduled Residential Mortgage Loan Principal Balance in the period assuming no prepayments have been made (i.e. only scheduled repayments have been made). This quotient is then raised to a power whereby the exponent is the quantity twelve divided by the number of months in the period. Subtract this result from the one then multiply it by one hundred (100) to determined the Periodical CPR speed.

[•]

[•]

The calculation is expressed as follows:
$$\text{Periodical CPR} = 100 \times \left[1 - \left(\frac{\text{Current Residential Mortgage Loan Principal Balance}}{\text{Scheduled Residential Mortgage Loan Principal Balance}} \right)^{\frac{12}{\text{months in period}}} \right]$$
